## What is the plural of “Tardis”?

Tardii? Tardia?  
Tardisses? Tardithium?

In any case, we don’t  
have any, so come help  
NomSweet pack out on  
Sunday.

Sonic screwdriver not  
required.

**11am Sunday  
@ NomSweet**

We want some of those sunglasses though.

## Welcome to OmegaCon

Come on over to our Lodge, where Noms run free! Play through the rich selection of games — in your bathrobe! Hike along any of our many (one) alluring trails. Sample the exotic fare (but be wary, mystery flavor is white chocolate). Ponder the timeline and bring weird food to Snooty Reception! Yes, while the Good Place is ending, OmegaCon will always be the Slack Place.

### Registration

- 🕒 Friday, 3:30pm to 10pm
- 🕒 Saturday, 11am to 1pm & 7-8pm
- 🕒 Sunday, 10am to 2pm

Located in the Bear Den. If during these hours there is no one behind the desk, look around for the person wearing the official OmegaCon Registration Hat. You will know it by its silliness. Paperless registration for current and future OmegaCons is available during open hours, but at any time you can fill out and turn in a paper form at the registration drop-box. If you need a reminder as to how the room reservation system works, please talk to a staff member (see the Staff & Organizers section for a list of staff).

**Badges:** Typical convention rules apply. Everyone must be registered and wear their OmegaCon badge at all times. Once you have registered, you may decorate your badge! Consider the purchase of a swanky OmegaCon Badge Lanyard won’t you? Never fear, there is still the cheap-as-free option of the OmegaYarn Badge Retention System.

### Merchandise

## Convention Rooms

### Gandy Dancer

Available for board and video gaming all weekend long. Remember your Game Etiquette; respect others' property, don't spill or get the games dirty, and don't lose any of the pieces!

**CoCoGaZoRS:** The Color Coded Game Zone Return System. Game tables in Gandy Dancer are divided into "color zones." Color-matched sticky notes should be posted on games, the owner adding their name and badge number. This helps keep games in one general zone, and makes for fewer lost games.

### Bear Den

Reserved for TV use (DVD games, cartoons, etc.), socializing, puzzles, reading, tournaments, etc.

**Game Exchange:** There will be a designated area for games you don't want any longer. It's a "leave a game and/or take a game" system. Please use the provided labels on your donations. If you are taking a donated game, don't forget to remove the label. Games left by the end of the weekend that no one takes home will be donated to The

Lodge. Please ensure that games on normal tables do not end up here. Unless a game is yours to give, you shouldn't be adding it to the table.

### Satellite Room

Located on the 2nd floor, this room is available in two-hour blocks by sign-up sheet, which is on the door. Why sign up? This room is a great place for large or loud games, podcasting, and similar pursuits.

### Roadkill's Bar

🕒 *Open when NomSweet is open.*

Located inside NomSweet, Roadkill's Bar pays homage to our dearly departed Troll by serving you a dizzying array of delicious beverages. Come join us for a drink, a toast, or stop by in the morning for a mimosa or bloody mary with your breakfast.

**Volunteer:** Have you always wanted to be the most popular person at OmegaCon? Here's your chance to fulfill your dreams, one hour at a time. Sign up for an hour-long shift (or three) as Celebrity Bartender throughout the weekend, where you can convert the crowd to your choice of cherished cocktail.

### NomSweet

🕒 *Friday: 7:30pm - Late*

🕒 *Saturday: 9am - Late*

🕒 *Sunday: 9am - 11am*

Other conventions call it ConSuite, but we call it NomSweet! If you've been to OmegaCon before, you already know this is the best room in the house. Where else is the bathtub full of soda-pop, the noms are sweet and plentiful, and the tots are always shiny? Volunteers are needed to cover shifts, so please sign up on our shift board, taped up on the wall just outside NomSweet. You haven't earned your slack if you haven't done some time - and remember, if NomSweet closes due to lack of volunteers, **SO DOES THE BAR.**

## Pool and Hot Tub

🕒 Open 24 hours, Friday to Sunday

## Breakfast Nook

🕒 Open 24 hours, Friday to Sunday

Complimentary continental breakfast is served in the Breakfast Nook every morning from 6:30am to noon, and has a microwave for all to use. New this year, NomSweet's tea, cocoa, ramen, and instant soups now reside at the new Breakfast Nook Rehydration Station, so come on in and get your cup-o-whatever any time of the day!

## Room of Retro

🕒 Open after Snooty Reception

Who needs new computers & video games for fun? Retro is happening here in the form of old Macs, aged consoles, and emulators for the most delicate of gramptronics.

## OmegaCon Events

- 📍 Outside events are weather permitting.
- 📍 Events may run long due to much fun being had.
- 📍 Events will not be announced (vocally) beforehand — plan accordingly.

## Friday Events

### Opening Ceremonies

🕒 Friday, 7pm @ Big Bear

Start your weekend off right by finding out what's going to happen! You'll spend most of the time gaming anyway, but here is where the important announcements are made.

### Snooty Reception

🕒 Opens after Opening Ceremonies in Gandy Dancer

THE STUFF RETURNS! After the success of last year's Stuff in Stuff theme, this year's Snooty Reception features Stuff \*ON\* Stuff! Grab your Snooty Receptacle and join us for a bite in Gandy Dancer immediately after the end of Opening Ceremonies on Friday night.

## Saturday Events

### Saturday Morning Cartoons

🕒 Saturday, 7:30am 'til 11:30am @ Big Bear  
Enjoy some continental breakfast & join us all morning long for nostalgic cartoons & live action fare from the 1970's through the 90's!

### Omega Run

🕒 Saturday, 8:30am, meet @ Lobby

A brisk morning run (or jog—really, whatever we can muster, as we'll probably be hungover) to the airport and back.

### Lake Walk

🕒 Saturday, 11:30am, meet @ Lobby

Our scenic walk around Crooked Lake takes about an hour and is a great way to get exercise. Bring your walking shoes.

### Weenie Roast

🕒 Saturday, 12:30pm @ Firepit

Hot dogs and a firepit are what make the great outdoors so great. Come join us warm by the fire and eat wonderful junk food!

### Beverage Baseball

🕒 Saturday, 2pm @ Firepit

Join us again this year for another round of hitting Fresca with a baseball bat. The rules are simple and the fun is epic. Dress warm and come outside with us.

### Archery

🕒 3pm Saturday, Meet @ Lodge Lobby.

From there we'll drive to Fins, Fur & Feathers to use their range. Price is around 5\$ per person per hour.

## Multi-Day Events

### Arts and Crafts

Opens after Snooty Reception @ Gandy Dancer. Get your craft geek on! There are supplies for making shrinky dinks, hair flowers, necklaces, and magnets available, or have fun freestyling your own craft magic out of what's on the table. There are also geeky/adult coloring pages available, feel free to tear pages out and take them home. Everyone is welcome to bring craft supplies and add to the fun!

## Backgammon Tournament

For those who like dice more than cards, we're offering a backgammon tournament. Opponents will play 5-point matches in a single elimination bracket. Players may optionally negotiate to play for fewer points at the start of a match. Matches will be posted late Friday night, with the first match to be completed by noon Saturday. For questions, see Ellie Younger or Johnny Healey.

## Cribbage Tournament

Back for another round! The annual Cribbage Tournament will again award the prestigious OmegaCon Traveling Trophy. Sign up on the wall of Big Bear by the end of the Snooty Reception on Friday night. Please pay close attention to the posted completion deadlines once the brackets go up! These are designed to help keep the tournament moving.

## Bonfires

🕒 *Friday, 9pm @ the Fire Pit*  
🕒 *Saturday, Dusk (5:15pm) @ Fire Pit*  
Crackling wood, twilight, heat and treats. Make a s'more and bring a drink. It doesn't get much nicer than this. We will have traditional s'moring plus a few non-traditional ingredients. Hang out with some warm people and enjoy! You are encouraged to bring something different for s'more experiments!

## OmegaCon Movie Room

### The Crow

🕒 *Friday, 3:00 PM*  
While this movie is TOTALLY about life after death, there's also the super dark angle that Brandon Lee starred in this film after his own death which occurred on the set of the film! That's dark, right? SUPER dark!

### Mystery Movie

🕒 *Friday 9:00 PM*  
Who knows what could happen here? It could be - gasp - nothing! Or something. Thing is, if we plan ahead then we don't have any chance to show something surprising

and where's the fun in that?

## Late Night Movie - Beetlejuice

🕒 *Friday 11:30 PM*  
OK, so this is a ghost story. But it really is a story about the afterlife and how some of us end up being ghosts and some of us end up being civil servants and some of us end up being...whatever Beetlejuice is. He's a ghost, right? Or a demon, maybe?

## Saturday Morning Cartoon - Coco

🕒 *Saturday 10:00 AM*  
This Pixar film about the Day of the Dead is just about as good as every other Pixar movie that isn't "The Good Dinosaur." Holy crap, do you remember "The Good Dinosaur?" Of course you don't, Nobody remembers that movie. It made "Cars 3" look like an Oscar contender. "Coco," is nothing like "The Good Dinosaur."

## Road Trip Movie

🕒 *Saturday 1:00 PM*  
Once again, The Timbers theater will host our road trip movie! What will we see? No idea. Probably not "Last Christmas" but then again, maybe.

## Bill & Ted's Bogus Journey

🕒 *Saturday 4:00 PM*  
Nostalgia is a wonderful thing and we know you all remember "Bill & Ted's Excellent Adventure" but we are going to show a little love for the sequel which features Death! The actual supernatural being. Death!

## Late Night Movie - Hocus Pocus

🕒 *Saturday 11:30 PM*  
Amuck! Amuck! Amuck! Amuck! Amuck!

## New Release Theater - The Fast and the Furious: Hobbs & Shaw

🕒 *Sunday 10:30 AM*  
We are going to be completely honest and admit we didn't see this completely ridiculous looking action movie in the theaters so why not use OmegaCon to catch up? The Rock and Jason Statham star in this movie about something but we don't really care because did we mention the movie has The Rock and Jason Statham?
